

#740033069

Enclosed is 1 Pack out
of a carton, as you can
see the filter came right
off. It came out of the pack
that way. Out of that
carton there was 2 more like
this. also there was approx
12 more that fell off after
about 2 or 3 puffs.

Thanks Hope this will help.
R.F. Arnes

P.S. This could be a fire
hazard.
