

To. H.R. Cousins

BAT where.

WORKING.

TONY.

Please find attach original data ex
project LONGTOP. Please retain.

Includes.

- 1) Profiles for samples and relevant brand
using actual panelists scores (not
corrections) versus sensory attributes.
- 2) Omega III data including maps (refer
to map of Component I v II in each case).
- 3) A brief summary of our ad hoc smoking
plus individual's sheets
- 4) Delivery data of sample codes and
brands used in Omega III evaluation.
- 5) Sample manufacture request forms.
NB. unventilated at manufacture - later ventilated
in laboratory afterwards.

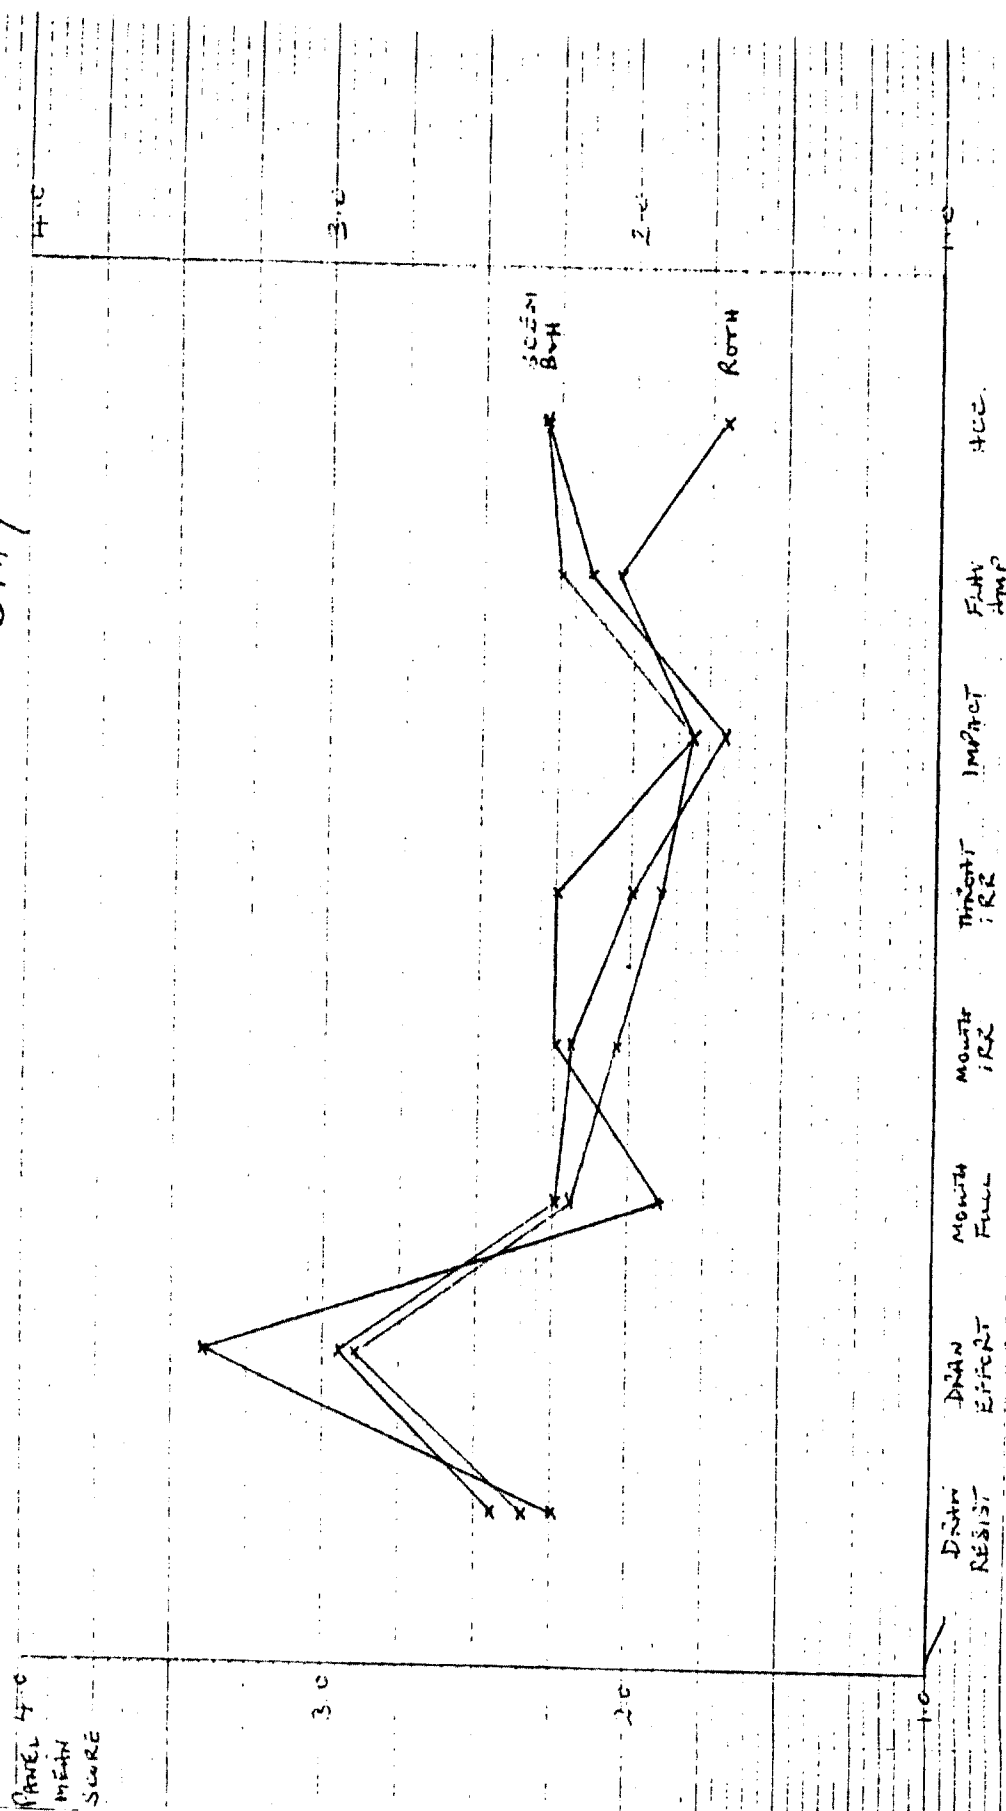

Regards

Alan Pleshner
